

Contributo dei popoli indigeni al “Sistema di Governance della Terra (ESG)”

Nidia Catherine González P., PhD. Johannes Gutenberg –, Germania,
Assegnista DSPS, Università di Bologna

Dilemmi delle società globali: Tra sicurezza energetica e sostenibilità ambientale: ESG

Boaventura de Sousa

“La cultura indigena non risponde al *modus vivendi* capitalista della efficienza e riduzione dei costi, bensì immagina alternative post-capitaliste partendo da logiche pre-capitaliste precedenti alla Conquista e alla Colonia”.

A sunset over a body of water with the text "Muchas gracias!" overlaid. The sky is filled with dark, dramatic clouds, and the sun is low on the horizon, casting a warm orange and yellow glow. The water in the foreground is calm and reflects the colors of the sky. The text "Muchas gracias!" is written in a white, outlined, serif font across the middle of the image.

Muchas gracias!
